As I sit here, up to my spare tire in snow, it's good to recall those warm sunny days peering out of that short rectangular windshield we all love. With that in mind, it's even better to report that we are closer to having a Penn-Ohio Tour this summer. John Menches and his crew drove the route and made crucial contacts last month. I expect to have a tour package for the Board of Directors to consider in the near future.

Penn Ohio is still looking for a sales team. We've been looking now for about five years. Maybe we should just eliminate the position and liquidate what we have. It seems to be of no value to the membership.

Also, there has been no luck in finding a **Penn-Ohio Secretary**. Julie continues to serve in the position, but she **needs a replacement ASAP!** Please consider this urgent need!!

Penn-Ohio has lost a number of members in recent years. Let's face it, we are all getting older. In an organization this large, it is entirely possible to have long time members pass away with very few current members knowing them personally. Some have maintained membership for years without participating for any number of reasons. But, some members were almost larger than life in our club.

A few weeks ago, **David "Grumpy" Weisel** passed away suddenly. If you participated in Penn-Ohio at any level over the last 20 years, you knew who "Grumpy" was. I first knew Grumpy on the 2005 Penn-Ohio Michigan Tour. There was some guy forever singing "On the Road Again" on the CB! And let's just say his voice made Willie Nelson sound like an opera singer. Grumpy was a character. He would project the "Grumpy" persona, but there was much more. David was a very generous man of faith and if you never got the opportunity to know him beyond the "Grumpy" character, you likely never saw it. When you drive up to his garage, there are two prominent signs on the door: "Grumpy's Garage" and "Go AWAY". But 50 feet away is a beautiful white chapel. For you see, Grumpy was a servant of the Lord.

David was but one of the many treasured friends I would have never met were it not for my little Model A and this organization. That's why I value both so much. I'm hoping some of you do also.

NOTES FROM THE EDITOR

A "MAGICAL" BEGINNING TO THE 2022 PENN-OHIO SEASON

Plan on bringing the whole family to enjoy the entertainment at the Spring Banquet, May 15, 2022 in Massillon, Ohio.

Between 11 and 12, Tri County will be hosting The Legendary Illusions of Tim Angeloni.

Tim has been entertaining across the nation for over 35 years with his sophisticated MAGIC. He has enjoyed a variety of wonderful audiences from "The Pittsburgh Children's Museum" to stages in "Branson, Missouri and Atlantic City".

He is a member of the International Brotherhood of Magicians and the Fellowship of Christian Magicians.

Tim's act will entertain all age groups and Tri County looks forward to sharing this wonderful experience with all who attend the Spring Banquet! (See Spring Banquet info on another page of this issue.)

Get Ready for a Penn-Ohio 2022 Tour

Maybe late coming, but better late than never! The tour dates are different this year. It is from a Friday to a Friday. Set your dates: meeting in Chillicothe, Ohio on **Friday, June 24th** and hopefully arriving back home on **Friday, July 1st**.

The tour will be a take off of the P-O 1979 Tour called “Land of Lincoln Tour”. This year’s tour is the **“Land of Lincoln Tour 2.0”**.

The tour will travel through Southern Ohio, Kentucky, Southern Indiana and Western Ohio. Sites will be **Abe Lincoln Historical Places**, a visit to the **City of Santa Claus**, a special **“Red Skelton” Interactive Museum**, an **under-ground cave river exploration** just to name a few of the sites we will be visiting.

The tour costs are not complete yet, but we are estimating the Tour will be \$1450 per couple. Less for singles. Youngsters are welcome. Pricing includes the hotels and event tickets. We are also having a Model “A” group from Owensboro, KY lead us around and party with us a day.

Currently we have made bookings for 40 rooms each night. Although we haven’t included a reservation form with this announcement, we do need interested members to respond so we can solidify the size of the tour. **So, for now, if members can notify us by email or by calling**, we can get things really going. Soon, we will send each person more tour information.

So, for now, in the words of our Great Past Member, Dave Weisel, until we meet **On the Road Again, with all my Model “A” Friends**, we hope you will join us this year.

PENN OHIO CHAPTER NEWS

FIVE POINTS CORRESPONDENT:

BRIAN REVAK

The annual Soup N Salad Christmas Party was held at the Urcheks on Saturday, December 11th.

Lots of good food, fun and fellowship with 38 members present with two new members -- Joanne & Chuck Gilliland and Greg Happ and daughter, Cheyenne, came with her father as her mother, Kim, was ill.

After a short business meeting was held by our President, Tom Olsen, homemade soups (mushroom, stuffed pepper, and chili) were served along with many delicious side dishes and desserts that were brought by the members. Any leftovers were put in containers provided by Susan & Rich Modzel and sent home with many members to enjoy another time. Thank you, Susan & Rich.

Then, the real fun began with our annual "gift exchange" or shall I say "gift swapping?" During the swapping of gifts things got very interesting. Poor Betsy Steadman had every gift but couldn't keep them. Some of the "hot items" were a white ceramic Christmas tree, a small ceramic Christmas tree, a talking and dancing Minnie Mouse, electric lighted snowman and several Snyder's gift certificates that were swapped many times. Even the spouses were getting coerced to get some of these items for themselves.

Like always, freshly baked cut out Christmas decorated cookies were provided by the Lohrey family along with a package of two pair of cozy socks for all in attendance. thank you, Frank, Beth and Clayton.

Don and Martha appreciated all the help before and after the party for setting up and taking down tables and putting them away. For some reason, they all knew where we store these tables like they have helped many times!

Thank you to Greens, Evans, Shaws, George Allison and Marlene Schell.

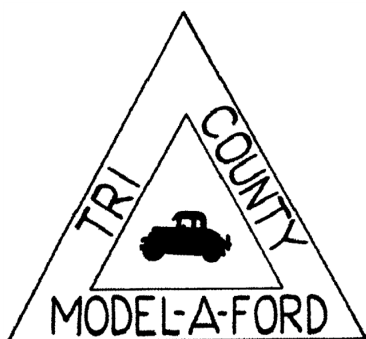

FIVE POINTS continued:

All in all, we feel it was a very successful party and hoped everyone had a good time and took home a nice gift. Looking forward to a great 2022 Model A touring year.

Our January meeting was held at Bedford Trails on Saturday, Jan. 8th. After some breakfast and fellowship, we got down to business to discuss the busy upcoming summer.

We will be hosting the July meet this summer so we discussed the location for this and other ideas. We have a few outings planned for the chapter as well. Bill and Stephanie Shaw have planned a weekend getaway in Sugarcreek in June. Von discussed the possibility of a club tour taking place in June also.

We should have plenty to entertain us for this summer driving season!!!!

**TRI COUNTY
CORRESPONDENT:**

DIANA STEWART

Tri County "A" Ford Club met at 1 pm, January 8th at Shoney's in Dover, hosted by the Stewarts. There were 14 members and 2 guests present.

After feasting on the delicious buffet, we had a short meeting. New officers are:

President: Gary Stewart

Vice President: Dennis Kempthorne

Secretary: Jan Baker

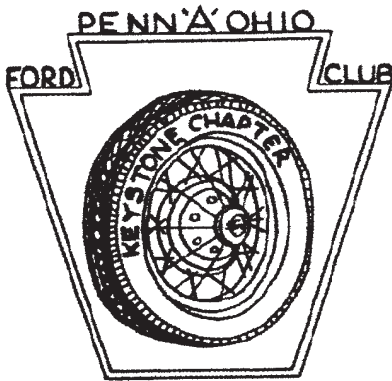

Treasurer: Diana Stewart

Discussion was held and final plans set for our Spring banquet event in May. We selected to have a renowned magician (Tim Angeloni) perform as part of Penn-Ohio's \$1000 incentive program to help increase attendance at our monthly events. Tim will perform between 11 & 12 so members can gather their donuts and coffee and enjoy the show. Dinner, meeting and chinese auction to follow it. We also discussed making a change in the 50/50 drawing....we are going to try 40 / 20/ 40 so that there can be TWO winners instead of just one. Members were reminded that we still need to be gathering more prizes for the chinese auction.

TRI COUNTY continued:

Tim Levengood, a relatively new member, asked for an explanation of how Tri County makes its money. It was explained that at Penn-Ohio events, we sell tickets for prizes in a Chinese auction and sell tickets for a 50/50 (which Tri County is going to try a 40/20/40 in May and see if participants like having 2 chances at winning instead of 1). Tri County has \$10 per year membership fee in addition to the \$25 Penn-Ohio dues. We have a 50/50 drawing at each meeting and an occasional "auction" of used items just for "fun" at one of our monthly meetings. We also earned money last year assisting the National Model T Club with their week long tour held in Tuscarawas County. Tri County did all the signage for their daily routes and trouble shooted any breakdowns.

Our next meeting will be held February 13 at East of Chicago Pizza in Sugarcreek, hosted by the VanFossens.

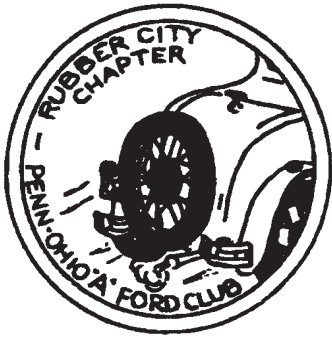

**KEYSTONE

CAROL MENGEL

The Keystone Chapter met on a sunny day in December. We were glad to have Dorothy Woods with us. She brought her longtime friend, Eilene Say, with her. Our chapter made a monetary donation to a worthy cause as we have done this every year. We had a surprise guest who found us even with no snow....SANTA CLAUS!!! He arrived and gave all of the good boys and girls candy canes. Thanks Santa!!! We all left in a good mood ready to start the holidays and the New Year. Hope the new year is good to everyone.

RUBBER CITY CORRESPONDENT:

JOHN MENCHES

A TRIBUTE TO DAVID “GRUMPY” WEISEL

Dave Weisel, was a member of Penn-Ohio since 1993 or so. He was a past Rubber City Chapter president and a former Penn-Ohio Director.

Dave was a very different Model A'r. New members meeting Dave for the first time would find him obstinate, voiceful and a little hard to take. But to know Dave, he was our catalyst. Nothing stood in Dave's way, if it did, Dave would make something up, get you to believe it and Walla it BECAME a solution. Sometimes real, sometimes make believe. Dave always had the answer.

At this time, it is hard for me to relate the True Dave, Grumpy, Weisel to all Penn-Ohio members. But, those members of all the P-O Chapters that have been with Grumpy at meets and tours have grown to like this man.

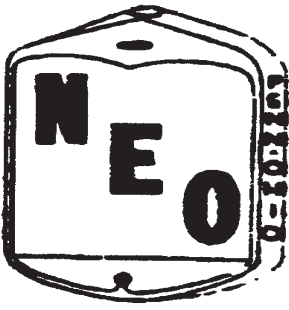

As a Rubber City member, I will try to express my sentiments.

We all in Penn-Ohio have experienced losses of close Chapter members. We are always saddened by remembering the great times we had together. But I have to tell you, Dave's passing has left a real hurt weighing with me. I have been struggling to understand this heavier hurt than usual. As I have talked to other chapter members, they too are experiencing the same different kind of hurt. After thinking about this and praying to Jesus, I received an answer. Dave truly loved all of us and he really gave us his all.

It is strange opening my eyes to find out that our friend was closer to us than we all realized. Model A's were only the means which brought us together. So thankful for it. As Grumpy would sing out, "On the road again with all my Model A Friends", it fits how Dave expressed his love for this association of friends.

Dave, thanks for your inspiration when we all needed you the most!

Your Friend in Christ.....John Menches, Rubber City

**NEO
CORRESPONDENT:
RICHARD MERKOSKY**

Winter projects on your Model A can be quite the learning experience as well as a bigger project than one would expect.

This photo of my 1930 Fordor Town Sedan is my winter project and I must be honest, it snowballed into a much bigger project than I anticipated. Someone told me once “If its not

broke, don't fix it”. I should have listened a little more carefully. This whole project started when I decided to look into getting the fenders painted just to spruce the car up a little.

I stopped at a couple local body shops for quotes and to see what it would take to accomplish my project. The general consensus was the fenders needed more work that what appeared. So, to save some money I removed the fenders, which turned out to be more difficult than it looked. I finally removed them with a little help of a club member. A local body shop told me to purchase new fenders while another shop said they were not bad and he could remove the old lacquer paint and fix them up for me. They are currently in that shop for repair. Stay tuned for the results.

The next step was to fix the center seat adjuster, so I removed the front bench seat. Well, low and behold, I found the reason the seat wouldn't go back and forth (see photo). Then, I figured since the front seat was out, I would remove the rear seat and carpeting to see what the condition of the floor pans looked like. The upholstery was older and had signs of wear and a little damage so I decided to look into getting the seats and rear fender panels reupholstered. That's another task I didn't expect. Try finding someone who does reupholstering. By now you can see how my winter project has snowballed into a bigger project. One thing I can say for sure is I am determined to get my car ready for the riding season this spring.

Our chapter has been busy planning for the driving season. The chapter's officer board has met several times to discuss meeting locations, trip destinations, and ways to encourage and maintain membership. We are currently working on a couple of flyers

NEO continued:

to hand out at car shows and other events. We implemented this at our January meeting and it will be on the monthly meeting agenda what we call the “A” Tips. Basically, a technical session involving chapter members and they would have a portion of our meeting to talk and discuss repair or maintenance on the Model A. I know I will have something to say some day soon!

RIDGE RUNNERS CORRESPONDENT: DARLYNN FINK

The Ridge Runners had a festive Christmas Party at Evermoore's Restaurant in New Bethlehem, PA. The 26 attendees enjoyed a yummy dinner made even yummier with homemade pie. Folks were given a clothespin to wear which was stolen by anyone who could entice someone else to say the word “no”. The person with the most clothespins at the end of the evening received a prize. Each person was given money to buy items in our white elephant auction of course, the money distributed was “fake”, so there was little worry about bidding high on something that was wrapped and unseen. In fact, one member bid “80 dollars” for a straw hat which was wrapped in a pretty box. Some gifts were welcomed and some brought a big laugh. Some couples pooled their money to allow them to make outstanding bids. (Sure wish the money had been real.) We also played a game of unscrambling the names of car brands. Judie Maholtz beat out all the competitors by naming every car. The evening ended with our Dirty Santa Gift Exchange. Many nice prizes were stolen from the person who originally received them, but everyone went home with a satisfying present. Overall, as usual at our meetings, folks laughed heartily and enjoyed the company of other club members.

RIDGE RUNNERS continued:

Where do you find people gathering for breakfast on a sub-zero morning in Pennsylvania?? At a Model A meeting, of course!

Our January meeting was held on the frigid morning of January 22nd. Everyone was happy that our modern cars are equipped with good warm heaters because one member reported that the thermometer at her house registered minus-19. BRRR! But, 12 brave members braved these chilling temperatures to enjoy breakfast and warm conversation. Of course, we do have members who are basking in the southern sun, so they can't enjoy slipping on the ice, shoveling the snow, shivering even when bundled up, and all those wonderful driving thrills of winter in PA. It is such a shame that they are missing out on all this fun!!!!!!!!!!!!!!
