## CHANGE IS COMING!!!

Yes, changes are coming. Finally, spring may be upon us.

Next month's Spring Banquet will feature the installation of a new Director.

Looking over my shoulder, I think it is remarkable that this organization survived two years of COVID. Many such organizations did not. I hope Penn Ohio survives its members' indifference.

For at least five years, I have tried unsuccessfully to find a member willing to assume the office of Salesman. I think it is safe to assume that will not change. So, at the next board meeting, I will introduce a proposal to eliminate that office.

Also, I have been unsuccessful in finding a member willing to serve as Penn Ohio Secretary. Julie has been gracious enough to soldier on while she and Matt build their life around their son, Lucas. But, she can't continue indefinitely. Without a secretary, Penn Ohio will have to suspend operations until someone comes forward. If that doesn't happen, then I think we have our answer.

I had hoped to leave my successor a healthy, enthusiastic, mutually supportive organization as I first encountered when I joined in 1994. Right now, I don't see that happening. **PLEASE PROVE ME WRONG.**

I must end on a positive note. The Penn Ohio Tour in June is progressing nicely. Reservations are filling up. If you are thinking about joining in.....DO IT! It's the best vacation you can have!!!

VON

## NOTES FROM THE EDITOR

I would like to take this time to say a BIG THANK YOU to all the Correspondents...in recent months I have been getting far more articles and loads of lovely pictures. YOU are making this newsletter GREAT!!!

## 2022 Great Race

The 2022 Great Race will roll through Penn-Ohio territory this year with an overnight stop in Erie, PA on Monday, June 20; a lunch stop in Medina, OH on Tuesday, June 21; and an overnight stop in Perrysburg, OH on Tues., June 21.

The Great Race is a time speed endurance road rally covering 2,300 miles over a nine day time period. The teams traditionally come from all over the world as well as all points of the U.S. Teams, consisting of a driver and a navigator, drive all sorts of vehicles from 1972 to 1915. Teams rally without the aid of maps or GPS but rather rely on the use of printed instructions that they receive the morning of each stage of the race. Teams start the rally portion of each day at a secluded location normally on a county road and leave at one minute intervals so it seems like they are each running the rally on their own.

Scoring is by how close each team crosses a secret check point to their perfect time. Like in golf the low score wins. The job of the navigator is to keep the team on course and to make time adjustments for maneuvers encountered on the course. For example: if the instructions read drive 45 MPH until you reach the next stop sign, pause for 15 seconds, and leave the stop sign at 40 MPH, the navigator needs to consult their charts to see how much time is lost slowing down from 45 to a stop as well as taking off to get back up to 40. The time lost is subtracted from the 15 second pause time so the real pause may only be 4 seconds.

Each car develops their own custom charts for starts, stops and turns. In a perfect world, each team will pass the check points at the exact second that they should and will receive an ACE for that leg of the race. A second early or a second late translates to one point and a negative and a positive do not offset each other.

Older cars receive a small advantage called a time factor to compensate for the issues of driving older equipment. The responsibility of the driver is to help the navigator keep an eye out for turns and signs for speed changes. The other responsibility of the driver is to try to keep a constant speed. Sometimes, we may need to drive 50 MPH for 40 minutes or 18 MPH for 10 minutes. Both can be difficult.

We do not know which roads that we will be traveling on. We usually rally on county roads sometimes using the same road multiple times. Each night there is a large car show, sometimes over 10,000 people. I hope that you have the opportunity to stop by and see the spectacular in either Erie, Medina or Perrysburg.

Rick Greene

## PENN OHIO CHAPTER NEWS

\*\*\*\*\*

**FIVE POINTS  
CORRESPONDENT:  
  
BRIAN REVAK**

Well, it seems like winter will not give up!! We have had some really nice teaser days and then, right back to snow...ugh!!

As I write this, there is still showing snow for the coming weekend! This coming weekend, April 9th, will be our meeting and “Spring Flint” at Enzo’s in Warren at 12 pm. This has been a long time in the making due to the pandemic!

For June, Bill and Stephanie Shaw have planned a weekend getaway to Sugarcreek. This will be the 10th and 11th.

Planning is well underway for the July meet that we will be hosting on the 16th in Cortland.

**TRI COUNTY  
CORRESPONDENT:  
  
DIANA STEWART**

Tri County met April 9th at the home of Roger and Jan Baker in Canton, Ohio. There were 14 members present.

Jan had prepared a delicious brunch which we all enjoyed....complete with Easter jelly beans!

A short meeting was held where we discussed final details/assignments/needs for our upcoming Penn Ohio Spring Banquet on May 15th. Reservations are very slow in coming but hopefully will pick up soon.

## Tri County continued:

Following the meeting the guys took a short tour of Roger's garage and saw his cars/trucks. Then, we reassembled and held an auction with Dwight VanFossen acting as auctioneer and assisted by Tim Levengood. All members had brought gently used items that they no longer wanted (including a wall clock that was over 50 years old!) Lots of fun and laughter highlighted our activity and the club's coffers increased by \$167 dollars. Not bad considering only 14 people were there!!

The members all decided to skip our May Tri County meeting since we will be busy getting ready to host the Spring Banquet. So, our next monthly meeting will be in June. A notice will be sent to the membership with the date and location.

### **RUBBER CITY CORRESPONDENT:**

**UNKNOWN**

On February 13th, we visited the Green Diamond Bar and Grill in Barberton. There were 22 of us present. A homemade Valentine cookie was given to each of us by Linda Norton and it was yummy. There was a tribute given to David "Grumpy" Weisel who we lost on January 19, 2022. He and his humor will be greatly missed! The rest of the meeting encompassed the up and coming Penn Ohio Tour... The Land of Lincoln 2.0. We learned about how John Menches, Kirk Reed and Gary Martin took a full week and traveled the route that we will be taking on the tour. You can check out some of the details on the short synopsis below along with a registration form (editor's note: the synopsis and registration form are earlier in this edition of the Quail Call). There are still a few openings to join this tour but they are starting to fill up so don't miss your opportunity to join us!

On March 13th, we all met for a buffet dinner at Menches Brothers Restaurant and Pub. Our upcoming Land of Lincoln 2.0 Tour was the main topic and a short video was shown of past tours that were enjoyed by our club. We at Rubber City will be working hard to make this trip a memorable one for all to enjoy! After you sign up, one of our newest members of our club, the Printchure family, will be doing some great promos to get us all going! They will be adding humor and a "get going" enthusiasm to get us excited about our new adventure!

On March 16th, then people from Rubber City traveled down to the Dutch Host Inn in Sugarcreek. Once we registered at the hotel, we were given a coupon book which

## **RUBBER CITY continued:**

entitled us to a free gift from local businesses. The first day, we stopped at seven places and on the second day, we shopped at about 13 more businesses. We ate a great dinner at Mrs. Yoder's Kitchen and a tasty breakfast at Rebecca's Bistro. We had lots of fun, lots of laughs and lots of goodies! The people attending were Tim and Karen Wasson, Jon and Pat Peterson, Alex Johnston & Margaret Moodispaw, Linda Norton, Renee Summers and Gary and Margaret Martin.

### **FLYING QUAIL CORRESPONDENT:**

**SUSAN SANDROCK**

The Flying Quail met on February 13th at the home of Rich and Linda Kirgis in the cozy workroom of Buckeye Star Alpacas in Bloomfield. Twelve members and one guest attended. Ghiradelli chocolates (much appreciated by Connie) graced the tables as a wonderful Valentine's Day treat after the delicious pot luck featuring Rich's famous chili and Linda's cornbread. Comfort foods on a cold winter day and great to meet our FQ friends for the first time in 2022. Jim Snodgrass presided over the business meeting which continues to include details for the August Penn Ohio meeting the club is hosting. Thanks to Rich and Linda for hosting this cozy meeting.

March 13th found the Quail at Splinters restaurant in Carey. We were tucked away in the back room which was decorated for St. Patrick's day as were our hosts, Steve and Alice Bower. "Eventually" (not naming names) seventeen members and two guests (Alivia and Evelyn, granddaughters of Paul and Sarah Neal who put up with a room of talking adults) enjoyed our lunch off the menu.

The business meeting included discussions about our 2-day Penn Ohio August meet to be held in Marion and the progress of plans. Also discussed was the planned Penn Ohio tour in June and members who are planning to join the trip, a get well shoutout to Bill Pahl and congratulations for the 42nd wedding anniversary of Rick and Diane Greene who will again be participating in the Great Race. The route will take the racers through Pennsylvania and Ohio this year, so opportunities to see the racers with an overnight in Erie, PA June 20th and a lunch stop in Medina on the 21st and an overnight stay in Perrysburg on Tuesday the 21st. Looking forward to checking out the cars

Our club is pleased to hear after our comprehensive treasurers report by Paul Neal that our club checks should last until July 2028. Thanks to Steve and Alice for hosting.

It was another nice day to catch up with our FQ friends and look forward to a more normal 2022 driving season.

**NEO  
CORRESPONDENT:**

**RICHARD MERKOSKY**

Attached are photos of NEO member Marty Hosta standing next to his recently purchased Burtz-Block Motor for his Model A car. Marty presented the motor at our February meeting as part of our monthly “A-Tips.” This is the opportunity for our members to talk about a topic of their choice or a pre-selected topic about the maintenance, up keep or history of the Model A Ford. Marty is our chapter’s Historian and has been a member since 1966. He said he hopes to have the engine built and installed later this year.

**CRANKSTERS  
CORRESPONDENT:**

**DAWN PAINTER**

The Cranksters finally got our 2022 season started. Our January and February events were delayed until March due to Covid. March 6 found us at St. Paul's church in Valley City for our annual Kickoff meeting. We had a great meeting with information about the officers for 2022 that will remain the same as last year and our calendar of events was passed out.

March 26, we were back at St. Paul's for Pizza and Game Night. As the name suggests, we had pizza for dinner with ice cream with all the toppings for dessert. After dinner, we played bingo, Crankster-style. Everyone brought wrapped white elephant prizes. One never knows what will show up at game night, many of which brought lots of laughs. Joann Wexler was the caller and made sure everyone won something.

Our next event is Maintenance Day at Joe and Beverly McGlamery's. While some work does get done on the "A," it is mostly a good social time with great food and fun.

We're very happy to get things back to normal and are looking forward to Crankster and Penn-Ohio functions.
