I hope that as you read this, you are able to remember the great time we had at the MAPS museum and the delicious banquet meal that we enjoyed. Anyone with a love of history and airplanes had a wonderful place to tour and learn or reminisce. The number of cars driven was impressive on a beautiful fall day. Rubber City did a wonderful job planning this event, having a very large Chinese auction, appropriate decorations for the season, and great food. My husband and I were the “lucky” winners of the \$110 worth of Lottery Tickets that were raffled. Don’t be envious.....I was told that statistically, we could expect to win about 30 dollars or so, unless we were really lucky.

We learned that we ARE NOT even statistically lucky! Our total winnings were \$15 ---- shows how unlucky we are. Oh well, we had a fun time scratching off the cards with hearts full of anticipation. I had never played the lottery before, so I learned a good lesson: I should just keep my money and not take a chance of winning, even small lottery prizes.

It is hard to believe that our driving season is winding down. Where did the fall go??? The leaves offered us so much beauty this year! I know winter offers us beautiful white scenes, but you probably won’t hear me raving about loving the snow. If snow could only fall on yards and hillsides and miss the highways, I could say it is pleasant, but until we get heated highways that melt it immediately, I doubt you will hear me make too many positive comments.

At least, we can get together with our Penn-Ohio Chapter friends every month to keep us from becoming hermits. Hope you all had a calorie-filled Thanksgiving as you prepare for even more calorie-filled Christmas goodies. Hmm! I guess these holidays are the reason so many of us make a New Year’s Resolution to go on a diet!

## Secretary Notes from the Fall Board Meeting 2022

The meeting was called to order by Director Darlynn Fink at 10:10 am. The director welcomed everyone, and the Pledge of Allegiance was recited.

Roll call was taken by Penn-Ohio Secretary Jim Ulle, 19 Chapter Representatives, 4 Former Directors and 3 members of Executive Board present. Penn-Ohio Treasurer, John Menches, was excused.

Minutes of 2021 Fall Board Meeting were read and approved with correction to website report with potential cost of \$45,000 changed to \$4,500 (Von Wolf). Motion to accept minutes as adjusted by AJ Pennington and seconded by Don Harvey, all in favor, motion carried.

Treasurer's report was presented by Jim Ulle on behalf of John Menches. It was reported that our current Net Income/(Loss) is at (\$-297.54) and is projected at about (-\$2,000) for the end of the year.

There are several chapters who have not reported the results of their Penn-Ohio meets and subsequent status of the \$1,000 advanced by Penn-Ohio. It was noted that this program was a 2-year trial period and needs to be visited.

It was also noted that the Treasurer and Secretary did not accept wages for 2022.

Also reported that although there were website construction costs of \$1,742 (one time cost), there will be continued maintenance costs in the future.

Overall Penn-Ohio is okay with \$40,260.42 on deposit, but additional income from increased membership, merchandise sales and meet participation should be considered.

One adjustment to report, Erie Chapter returned \$16 of Meet Advancement money in 2021, not Ridge Runners. Motion to accept report as corrected by AJ Pennington and seconded by Don Harvey, all in favor, motion carried.

Diana Stewart presented the Editor's Report. Diana reported that when she submits the Quail to the website there had been a delay in it being added online. This issue should go away with the new site and her ability to upload directly to the webpage. Diana requested contact info for ALL PRESIDENTS to be able to make notifications in a timely manner when necessary. Also reported that the JC Taylor ad has been reduced from a full page ad. Motion to accept the report as presented made by AJ Pennington and seconded by Chris Wolf, all in favor, motion carries.

Proposal 1 discussed by Jim Ulle. Discussion on changing Chapter Attendance Award to attendance by percentage of membership. Discussion of current disadvantage to small chapters. Proposal was tabled, to be re-presented at the Spring Banquet with modification to allow awards for "A" attendance and "Member" attendance, both based on percentage of membership. Gary Martin made the motion seconded by Tom Franzen.

Proposal 2 was discussed, would create separate printing for roster and by-laws/constitution. Discussion on all this being on the website in the future. Decision to separate the 2 printings, with the roster of 2023 to be prepared and distributed to the chapters in digital format so they can distribute to their membership. Proposal voted on and passed 22 to 1.

Proposal 3 presented by Jerry Balczon. Suggested creating a handbook (8 1/2" x 11") in bright color to include Constitution and by-laws, notes from editor, preventative maintenance, and driving tips/guidelines. After much discussion, the proposal was voted on and failed 19 to 2.

## FALL BOARD MEETING, CONTINUED:

Proposal 4 to create membership roster on 8 1/2 " x 11" and issued annually was withdrawn.

Proposal 5 to remove year designation from "A" Quail Call deadlines was withdrawn.

Proposal 6 to have "A" Quail Call and Constitution and By-Laws printed "purpose" to match. Proposal withdrawn.

Break was called for at 11:35 am.

Reconvened at 11:50 am.

Chapter hosting assignments for 2023 were as follows.....

May - Copus Hill

June - possible tour (to be voted on in the spring)

July - Erie

August - Ridge Runners

September - Cranksters

October - Five Points

There are several tour possibilities that are being looked at by respective tour hosts. No details at this time, will be voted on in the spring.

AJ Pennington discussed the \$1,000 Penn-Ohio advance to host chapters, proposed reducing to \$500 for meets and \$1,000 for tours. After discussion, it was voted on to renew the program for 2023. Vote to continue one year was approved by majority with one opposed.

Chris Wolf asked about "A" Quail being emailed to representative of each chapter when it comes out so that they can forward to their chapter membership. This will be checked into. Also brought up chapters putting together lists of interesting location in their regions. Discussion was that this would be good item for the website.

Von Wolf brought up the idea of Penn-Ohio looking into becoming a Region of MARC. Talked about benefits to more exposure to potential members. He will pursue.

Gary Stewart talked about the development of the new website and the need for moderators. Von Wolf volunteered to work in that capacity.

Jim Ulle required ideas to deal with club history, several bins with notes and rosters as well as old blue cards. Consensus was to destroy records. Jim stated he would like to capture at least some info digitally before destroying the records but will be purging blue cards.

Von Wolf brought up the need for an Associate Director to Work with current Director Darlynn Fink and move into the Director's Position in 2024.

Motion was made to adjourn meeting by AJ Pennington with 2nd by Von Wolf, motion carried, meeting adjourned at 12:50 pm . Submitted by Jim Ulle, Penn-Ohio Secretary

## Penn-Ohio Chapter News

**FIVE POINTS  
CORRESPONDENT:  
Patricia Stafford**

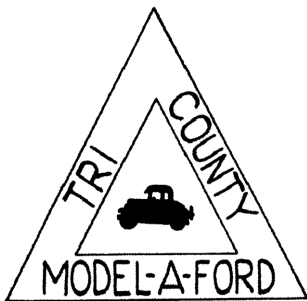

After our regular breakfast meeting, 16 A's gathered to take a fall tour into the Pennsylvania Amish country. Our first stop was the Apple Castle who were hosting their pumpkin event. We all came back to the cars loaded with bags of delicious fresh apples. Traveling along back roads led us across an authentic covered wooden bridge. An Amish quilt shop was our next stop and the family owners were very interested in our vehicles. On to Volant, PA where we visited the Volant Mill which is 3 floors of gift items. For those getting a bit hungry, we caught the soup and sandwich sale at a local church. Also did some rummaging at their huge sale. Time to head back across the line to Ohio after a pleasant Fall colored day.

Five Points would also like to announcement the loss of two more of their members.

Nov. 15, Jack L. Penn Jr. of Hubbard, Ohio passed away. Jack was a car guy, restoring abd building Model As and working on his 1959 Studebaker Silver Hawk.

Thurs, Dec. 1, Jack Davis of Lordstown passed. Jack was a long time member of Five Points and Penn-Ohio.

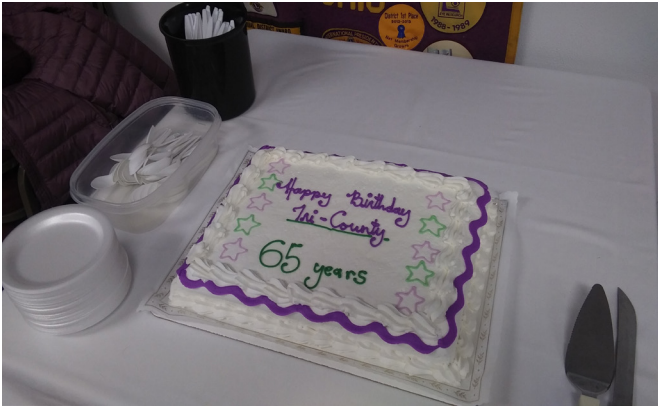

Our condolences to their Five Points family as well as their relatives.

**TRI COUNTY  
CORRESPONDENT:  
Diana Stewart**

Tri County met on November 13th at the Ricardo Party Center in New Philadelphia, OH. Melvin and Gloria Allen had arranged for a party to celebrate Tri County's 65th Birthday.

## Tri County continued:

Melvin, being our chapter historian, gave a brief presentation on the original forming and members at that time.

We welcomed as our guests, former members: Nancy Scaffidi, widow of one of our original members, Sandy Scaffidi; and, Bob and Nancy Hudak. Bob is a past director of Penn-Ohio as well as a former member of Tri County.

Everyone in attendance received leather coasters commemorating this 65th anniversary.

Our next meeting will be held on December 11th at the Hart Mansion in Minerva, OH when we will celebrate the Christmas season and elect 2023 officers.

## RUBBER CITY CORRESPONDENT: Marci Backus

Here's hoping you have all been staying warm as we get into our Winter weather. It's so hard to believe that this is already the end month of 2022!

Unfortunately this is the second year in a row that Rubber City lost a number of members in our club. On November 21st, John Hall, age 84, passed away. He and Sherri were members of the club for 24 yrs., joining in 1998. They are remembered

## RUBBER CITY continued:

for the many tours they went on and the kind deeds they did for club members. John was very involved with the Lions Club and always sold carnations and candy to anyone he could find. We also remember Dave Weisel and Les Lucas.

Things fell into place beautifully for the Penn-Ohio MAPS Museum and Dining Hall, thanks to Mr. John Menches, planner extraordinaire! Along with all the members from the Rubber City gang.

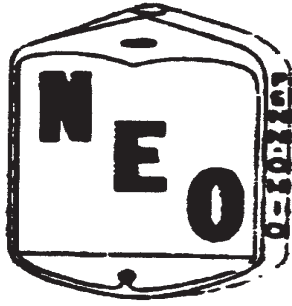

The dining hall was a Fall Fest done up in orange, brown and fall decorations. Thanks to Linda Norton for furnishing the handmade center pieces.

We are happy to say that over 100 people were at this banquet and we auctioned off over 100 items that were donated by those in our club.

A big thanks to Mike's Catering for the delicious food and the completion of the table settings with spectacular Fall colors. Our club was delighted to be able to do this event for everyone to enjoy!

We are now busy planning for our annual Christmas Party at the Prestwick Country Club and eagerly awaiting the arrival of Santa and Mrs. Claus (Gary and Margaret Martin) for all to enjoy and especially the youngest guests who will be there.

**NE OHIO  
CORRESPONDENT:  
Rich Merkosky**

NEO Model A members ended our late summer and fall driving season with several club tours and attended events during the months of September, October, and November. Some of the special events included a Pancake Breakfast/Car Show at the Geauga Co. Airpark in Middlefield, Ohio and another at the Lake Co. Executive Airpark in Willoughby, Ohio. We set up banners and signs advertising our club at both locations. We also participated in the Timberlake Parade and the Geneva Grape Jamboree Parade. Several members ventured on a driving tour to Pennsylvania and visited the Erie Extension Canal Museum in Greenville, PA and toured the Greenville Historical Waugh House. A lunch stop was also included. The days are getting shorter and the driving season was about to end, but we continued with another driving tour of Amish Country visiting many Amish businesses and enjoying the fall foliage. Plans have been made to attend a Christmas Concert at the Packard Music Hall in December.

**All of us from NEO Model A Ford Club would like to wish everyone a safe and prosperous Holiday Season.**

Please keep the families of Chris & Nancy Wolf and Ken & Sharon Keener in your thoughts and prayers for the loss of one of their loved ones.

## NEO Continued:

## CRANKSTERS CORRESPONDENT: Dawn Painter

The Cranksters enjoyed a variety of activities in October. On October 9th, we returned to Sheffield for the OVI 103rd fall pancake breakfast. It was a beautiful day and the lake was as smooth as glass as we ate all the pancakes we could handle.

The following week was our Cool-down Tour which was led by our new Planning Committee members, Don and Cathy Bair. Again, the weather was great and we stopped at a nursery with a delightful gift shop. We then stopped for Chinese for lunch.

Strongsville Historical Society hosts a festival every year and invites the Cranksters to join them by displaying our cars and parading through the historic village at the end of the day. It's amazing how Strongsville can support a whole village of historic buildings to the high quality that is there.

We're looking forward to our Holiday Banquet in November, but always sad to see the driving season come to an end.

**RIDGE RUNNERS  
CORRESPONDENT:  
Darlynn Fink**

The Ridge Runners Chapter celebrated Halloween at the home of Bonnie and Ray Cupples near Clarion, PA, on October 30th.

We had quite a crew of characters, ranging from a pirate and his wench, Mrs. Potato Head, a fisherwoman, a doctor, two bubbly poodle-skirted, bobby sox-wearing, young ladies with ponytails and ribbons, a Darth Vader character, a car mechanic, etc. All of these characters were treated to a great meal of grilled salmon and grilled chicken plus complementary covered dishes, apple pie, and homemade ice cream (made while we waited with the help of a hit-and-miss engine) YUM!!

We played several games, including a pass a gift to the right or to the left game as we heard a chilling Halloween tale about Don Neideritter's missing skeleton backseat passenger. One member brought lottery tickets for everyone. As usual, I was not a winner, but at least two members ( the host and hostess) won a total of about \$30.

Our November meeting was held on November 19th at Perkins Restaurant in Clarion. The 12 members in attendance had a great breakfast and told jokes and riddles. Plans were finalized for the Christmas party.

On December 9th, our group enjoyed our annual Christmas Party. With 24 members in attendance, we had a noisy, merry, Christmas time. The food was great, and everyone was in high spirit. The party lasted about four hours, so you know we love to get together and celebrate. We played a "see who can stack the pennies " game and watched folks trying to maneuver a cookie from their forehead and into their mouth, using only the muscles in their face. Some were videoed and will be able to be embarrassed for years to come. We unscrambled Christmas words, answered Christmas trivia, and participated in a "left/right" gift story. The night ended with a Dirty Santa Christmas gift exchange. Several folks were a little upset because their gift was stolen by someone else, but no one resorted to violence, unless laughing heartily counts as violence. One person's gift was stolen and when he picked another gift to replace the original one, the gift in the second package was the same as the one that had been stolen (I guess he was destined to receive a tool set.) Overall, the evening was an enjoyable way to get the Christmas season started and to prepare for a new year of friendship for our group. Merry Christmas!!!!!!
