**ALL OF THIS INFORMATION IS NEEDED OCCASIONALLY WHEN WE NEED TO CONTACT ALL THE CLUBS!! (3)**

Everyone attending the Spring Banquet at Ontario last month seemed to enjoy catching up and sharing news about all their activities during the winter months. Meeting with friends is definitely a lot of fun, and meeting with Penn Ohio friends is GREAT!

Thank you, Copus Hill, for bringing us together to start the 2023 season.

Our next big adventure will be the RIVERBOAT TOUR this month. Sounds as if we will have a fun-filled, action-packed vacation. Can't wait to see everyone!

At the banquet, we made a plea for help. Please consider volunteering for the position of Associate Director. I need a helper who will be willing to take over as Director as my term ends. If I can do it, you can do it!!!

Past directors have been very helpful and willingly offer insight when anything comes up that I don't know how to handle.

I guess what I am saying is that the person volunteering for this job will not be left sinking without a life preserver. Help is as close as your telephone. Please consider volunteering! I have been impressed with how supportive everyone has been. BE A VOLUNTEER!!!

DARLYNN FINK, Director

FROM THE OFFICE OF THE PENN-OHIO "A" FORD CLUB INC. SECRETARY:

I am sorry we were unable to attend the Spring banquet, but upon our arrival home from our Alaska trip, my wife tested positive for COVID, and although I tested negative numerous times, we felt the best option was to sit it out.

Well, it's been almost a year and I have a great appreciation for the past club secretaries. Just wanted to pass along some information.

# **An Appeal to the Membership**

**At this month's Spring Banquet, the officers of this organization will stand for election to continue in their offices for another year. As you might expect, none of the offices are in contention. There will be an opportunity at the meeting for nominations from the floor. One office will, however, not have a nominee. We have no nominee for the office of Assistant Director.**

**It has been the custom of Past Directors to "recruit" their replacements and promote the idea of members taking leadership roles in the organization. To that end, A.J. Pennington and I have asked several potential candidates to consider the position. We have not been successful. Our lack of success prompts me to write this appeal, hoping a member will be persuaded to step forward.**

**Let me tell you about the position of Assistant Director.**

**First of all, it is assumed that the Assistant Director will succeed the Director when his/her term ends. So, it is essentially a three year commitment. (1 year as Assistant Director and 2 as Director.) During your term as Assistant, you will act as a "back up" for the Director while becoming acquainted with the role of Director. As always, there are Past Directors in the background ready to assist with any question or problems that arise.**

**The role of Director is NOT DIFFICULT. Besides conducting the Penn-Ohio business portion of a Penn Ohio meet, the Director presides over the fall Board Meeting. The Director is expected to be in attendance at every Penn Ohio event. This isn't always possible, but if an Assistant is in place, the job can be covered.**

**If I haven't already approached you about taking on the role of Assistant Director, don't think for a minute that it's because I have doubts about your ability to do the job. It's just that after a while, you get tired of being turned down.**

**Please give my appeal due consideration for the good of our organization.**

**Von Wolfe -- Past Director

# SPRING BANQUET 2023

Thanks to the hard work by our illustrious Copus Hill president, Tom Franzen, and his minions that all pitched in to help, the 2023 Penn-Ohio Spring Banquet was a success!!!!

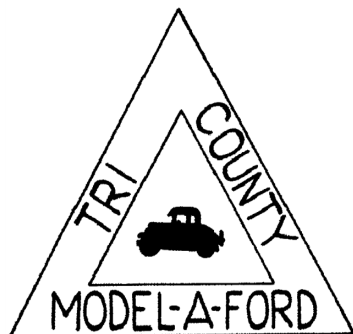

Twenty-five Model A's and 100 participants were in attendance. We had a great meal and lots of nice gifts. Thanks to Gary Scholler for bringing some of his early Ford collection and running his early Ford engines.

A good time was had by all.

Respectfully, Jeffrey Long

**TRI COUNTY  
CORRESPONDENT:  
DIANA STEWART/JAN BAKER**

The Tri County Model A Ford Club met on Sunday, May 7 2023 at the Manor Restaurant in Strasburg. We had our meeting before our meals came to help those who needed to leave early.

Roger Baker called the meeting to order and introduced our guests. Ralph Barker, a long-time member of Penn-Ohio having joined in 1980, was known to many. Leonard Hendershot introduced his friend, Arleen Nugen. Ron Dunlap is a returning member with is wife, Shawnee. Mel Allen introduced Chuck Cox, owner of a '29 four-door, and his friend, Elaine Hawkins, and they joined the club.

In May, Roger Baker celebrates his birthday, and Mel & Gloria Allen will celebrate their anniversary.

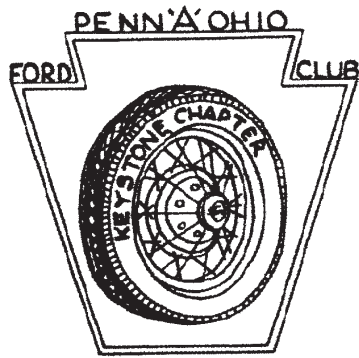

Jan Baker read the minutes from the April meeting and Mel Allen gave the treasurer's report. Both were approved as read.

There was no old business discussed. In new business, Dave Shanklin related that Bob and Joyclin Ely will probably not make it to any more meetings due to their declining health. We will all miss them.

Ron Dunlap announced and passed out flyers for a Steam Threshers Club Show on Saturday, May 20th from 1 am to 3 pm at the Cadiz County Fairgrounds. Food trucks will be available.

No one had information on the next meeting and there was no 50/50 drawing.

The meeting adjourned at 1:55 pm and we all settled in to enjoy our delicious meals.

KEYSTONE  
CORRESPONDENT:  
CAROL MENGEL

Our May meeting was held at Grantham's Landing. Each table had fresh flowers in half pint jars. The flowers lasted almost 2 weeks!

We were informed that member Dot Woods had a heart attack. Our prayers for a quick recovery. Many questions were brought up about the inability to get on to the Penn-Ohio website. June 11 will be a car show in Waterford. Many members are involved. John Love was a guest who became a member. Welcome John!!!

Our June meeting was held at Hoss's. There were 25 present and 4 cars. It was mentioned that the Erie group is having a poker run on July 16. Our guest this month was Don Quindardo who became a member! Welcome Don.

Dot Woods was there and looked great. Prayers answered.

Bob Boyd told us the story of his family and Fords. In all, he has had 5 T's and 4 A's. He passed around some old copies of The Quail.

Ed Mengel is doing well after having a new knee.

RUBBER CITY  
CORRESPONDENT:  
MARCI BACKUS

WOW! What a great way to start the summer of 2023! The weather has been beautiful for touring in our Model A Fords and that is exactly what we have been doing! We just recently returned from our 3-day "Lucy Tour" of Chautauqua County, New York. It was beautiful weather to travel the back roads from Kent, Ohio to Celeron, New York. What would have taken us 2 1/2 hours turned into 4 hours on the back roads but the sunshine and scenery were well worth it!

We checked into the brand new Harbor Hotel which was built just a few blocks away from where Lucille Ball grew up. This has become Chautauqua Lakes premier lakeside destination. The Suites and Restaurant overlook breathtaking sunsets on Chautauqua Lake and offer 5-star amenities.

## **RUBBER CITY continued:**

Our second day kicked off the tour with 8 Model A's and 31 of us! We motored a short distance to Jamestown to The National Comedy Center and the Lucy Desi Museum. The Comedy Center offered us an interactive experience with a Johnny Carson Tribute with our holographic host, Jimmy Fallon. It was like Jimmy was standing right on stage before us. He showed us all of the iconic stars and comedians that Johnny had on his show and introduced us to Carson's comedic timing and brilliant one liners that we all enjoyed not so long ago. And the rest of the center is a fascinating view of comedians and the history of comedy in the U.S. From there we traveled a short few blocks over to the Lucy Desi Museum to experience one of a kind artifacts, rarely seen footage, unique exhibits that illuminate the Lucy Desi story for comedy fans of all generations. If you place to visit both venues sets aside 4-5 hrs. to enjoy both of these events. It is well worth seeing!

After our Comedy Center and Lucy Tour, we had a quick lunch at Davidson's Family Restaurant. They have served the Chautauqua Community for over 60 yrs. and tout the fact that they sell over 3 tons of fish per month with their famous fish fry! It was yummy.

After the lunch, we headed to the Bemus Point-Stow Ferry to take us across the lake to the Lawson Antique Boat Museum. Since 1811, the ferry has been carrying vehicles across the lake from Stow to Bemus Point. Once in Bemus Point, we all drove a very short distance to the Lawson Antique Boat Museum. The museum has one of the largest antique boat displays in the area. This center was originally the boat service center in 1918 and was owned by the Lawson Family. The family donated the building to Bemus Point in October 2010 for all to enjoy its boating history.

On the 3rd day of our tour, we checked out of our hotel and headed to the Chautauqua Institution. This is an educational and cultural center that was founded in 1847. The Antheneum Hotel which is displayed in the picture was built in 1881 and hosted such guests as Thomas Edison, who had a hand in wiring some of the original electric lights. A walk through this grand hotel will certainly call you back to its grandeur. The institution has become one of the most cultural and educational centers in the U.S. It offers popular entertainment, theater, symphony, ballet, opera and visual art exhibitions all through the summer. It's history and grounds are iconic and a must to see. A summer visit to this magical area is well worth seeing and a place to venture to in your Model A Ford!

And finally, I would be amiss as to not mention the great time we had at the Penn-Ohio Spring Banquet on May 21st. Fourteen of us enjoyed the food, camaraderie and silent auction in Ontario, Ohio and a good time was had by all!! Thank you Penn-Ohio!

NOTE: Pictures of the tour on the next page!

**RUBBER CITY continued:**

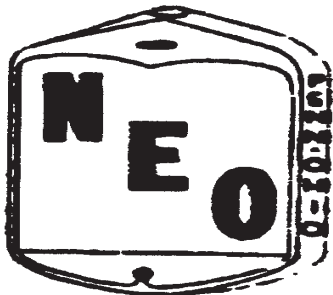

FLYING QUAIL  
CORRESPONDENT:  
SUSAN SANDROCK

Dave and Sharon LeRoux hosted the May Flying Quail meeting on Sunday, May 7th.

12 members attended and two A's were driven to the newly reopened Whitehouse Inn in Whitehouse. The Inn had a fire in Mid-March and had been closed but recently reopened. The quaint log cabin exterior holds the interior decor that features every United States President. After good food and a spectacular meeting, the group took advantage of the beautiful sunny weather for a short drive to the Majestic Oak Winery and Neon Ground hog Brewery near Grand Rapids for drinks and live music.

The family owned and operated business has a Majestic Oak standing on the property. A great day with A friends.

NEO  
CORRESPONDENT:  
RICHARD MERKOSKY

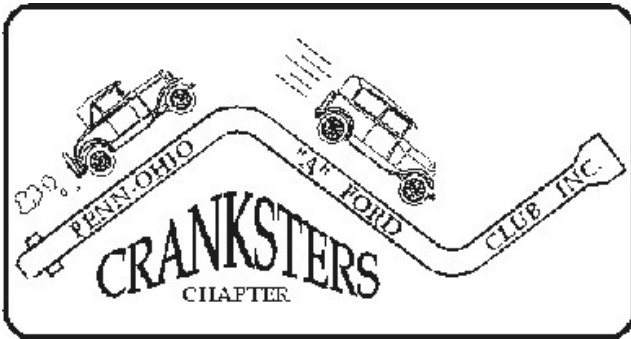

On Saturday, May 13th, NEO members Chris and Nancy Wolf, Al & Lorinda Wilder, Mary Hosta, Walter, Buehner, and Rich Walters met in Chardon for a country tour.. While the group was waiting to depart, a person came up and introduced himself and said he had just bought a Model A and ended up joining our club! We toured through the country side and ended up in Kinsman, OH for a lunch stop at Times Square Restaurant. Jake Eucker and Brook Morgan, who are friends of Chris and Nancy Wolf, met at the restaurant and announced their engagement. Congratulations to Both of them.

NEO continued:

On Saturday, June 3rd, NEO members attended a Pancake Breakfast at the Lake County Executive Airpark in Willoughby, OH. We were invited to display our cars on a beautiful day. Those members attending were Chris and Nancy Wolf, Rich Walters and Jean Yamber, Don & Sandy Moyer, Tom & Marcia Stobierski, Marty Hosta, Walt Buehner, Tom Bradbury, Gery Petrof, and Rich Merkosky. A gentleman visited our cars and mentioned he had just bought a Model A and only lived a few miles away from the Airport. He was invited to go home and bring his car down and join us if he wanted to. He came back with his Model A, paid his dues and ended up joining our club. Who would have thought?! This advertising IS working!

**CRANKSTERS  
CORRESPONDENT:  
DAWN PAINTER**

Joe and Bev McGlamery led a tour on May 20. We met in Valley City and traveled through the countryside to a member's home. He shared collections of car parts, many types of tools and license plates. She had a building she calls her "museum" with her personal treasures and family heirlooms displayed beautifully. Her gardens were lovely with many stone and wood artifacts adorning the landscape.

June 3rd found us meeting once again in Valley City for an event led by Dave and Dawn Painter. We started in Medina County, meandered through Lorain County with our final destination at Vermilion Historical Museum in Erie County. We had lunch at Martino's Internationa Cafe. After lunch, we returned to our old tradition of an ice cream stop. A perfect end to a perfect day.

**RIDGE RUNNERS  
CORRESPONDENT:

Seventeen chapter members met at Forest Nook Restaurant near Cook Forest State Park for lunch on May 20th. the discussion was lively as usual and planning for the August Meet was the number one issue. Of course, the meeting was filled with the usual joking and light-hearted conversation. We were happy to welcome back two members from their time in Florida and sad to hear about the fire that destroyed their motorhome, car, and golf cart on the way home. Salads were served in super-sized bowls, and a couple members were surprised by their meals because what they ordered was not what they were served, but most were quite pleased by their meals. After eating, the group took a drive along the Clarion River which was quite enjoyable, even though rain caused the sun to hide from us. We came back to Cook Forest's Ice Cream Shop and enjoyed a yummy dessert. Before we left, we finally got a group Model A picture.
